

Press Release

2013-10-10

New Board at Gaia Leadership

Gaia Leadership, is one of Sweden's leading companies in leadership and organizational development strengthens the Board to prepare for further expansion.

"We now recruit four experienced directors who will guide the company for further expansion and internationalization," said principal owner Jan Boström.

The four members are:

Gunnel Tolfes, is currently working in several boards and her own consulting business. She has a background as a senior consultant at Cap Gemini and HR Manager for the Nordea Group.

Pia Gideon currently has directorships in both listed companies and unlisted public. She is a partner and business consultant at Gaia Leadership. Pia has a background in various management positions within the Ericsson Group, most recently as marketing manager for North America.

Tove Langlet, currently works with directorships and run her own business. She has previously worked as a management consultant in Cap Gemini and Industri Kapital.

Liselott Hägertz Engstam is Nordic CEO of the Indian outsourcing company HCL. She has previously worked in IBM's international organization.

Christer Malm remains Chairman. The other members are Michael Mathson and Torbjörn Skymning both practicing consultants and co-owner of Gaia Leadership. CEO of the company is Johan Grip .

"Due to the strong growth the company has experienced in recent years in the Swedish market and the ambition we have in the international market , it is essential to also develop the work within the board and bring new skills and experience," says Chairman Christer Malm.
